Thanks for purchasing one of our kits, this kit requires **GEL** Glue.

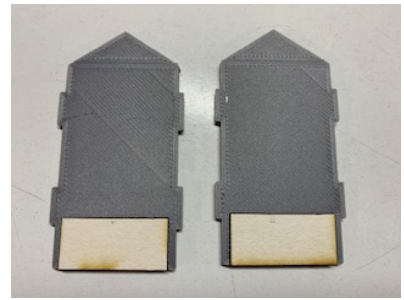

N Scale Flats

Glue the brick card to the plastic wall sections as shown left, then cut the windows out and glue as shown right, put in place first just to make sure it's the right one.

Then cut the doors out and fix as shown left, Glue two of the small pieces of card to the bottom of each gable as shown right.

Glue the walls together as shown left, then run a line of glue on top the small pieces of card you glued to the gables, the push a floor in place as shown right.

Glue another two pieces as shown left, the run a line of glue on them and push another floor in place and so on, then the roof can be glued as shown right.

Then the chimneys.
